5. Do you have the sketch/drawing/photo of the innovation submitted as S. No. 2 above? (Mandatory)

Yes, sketch/drawing/photo will be provided as and when requested by NPC

6. Is your innovation commercially proven?

Yes, the supporting document is available to prove the above claim.

No

7. Have you received a patent or Trademark for any product manufactured by your Unit?

Yes, the patent document is available to prove the above claim.

Yes, the trademark document is available to prove the above claim.

No

8. Is your Manufacturing Unit certified with quality standard like ISO 9001, GMP (Good Manufacturing Practice), etc. from a recognized authority:

Yes, the supporting document is available to prove the above claim.

No

9. Is your Manufacturing Unit certified with environmental standards like ISO 14000, etc. from a recognized authority:

Yes, the supporting document is available to prove the above claim.

No

**Authorized Signatory
& Company Seal**

10. **Is your Manufacturing Unit certified for energy conservation with ISO 50001, Solar/Biogas Power Generation, etc. from a recognized authority:**
- Yes, the supporting document is available to prove the above claim.
- No
11. **Is your Manufacturing Unit certified for employee safety with ISO 18001 (Occupational Health & Safety), etc. from a recognized authority:**
- Yes, the supporting document is available to prove the above claim.
- No
12. **Have you received an Award from NPC under NPIA (2013-14) or NPIA (2014-15) for the innovation at S.No. 2 above? (Mandatory)**
- Yes
- No
13. **Would you like to support your answer in S.No. 3 & 4 above through powerpoint presentation/video? (Optional)**
- Yes, the presentation/video will be provided as and when requested by NPC
- No

Declaration

I _____ (Name of Proprietor/Highest Rank Official/ Authorized Person) who is working as _____ (Designation) with M/s _____ (Name of the Manufacturing Unit/Company) on behalf of my company certify that all data/information provided vide this APPLICATION PROFORMA to National Productivity Council (NPC) for “National Productivity & Innovation Award Scheme (2015-16)” are true to best of my knowledge & belief. My Company has to submit the requisite supporting documents/facilitate visit of NPC officials to corroborate the facts as & when requested by NPC. My company has not concealed/misrepresented any data/facts/information and no legal action/case is imposed/pending against the company in any court of the land.
