INTRODUCTION

Effective Office Administration (EOA) and Financial Management (FM) is sine-qua-non for the success of any organization in today's competitive world. Some of the important skills required for EOA can be identified as leadership qualities, communication skills, human resource management, financial management etc. In the globalised era, it has become imperative for all employees to upgrade their knowledge and skills on a regular basis to attain higher organizational as well as personal excellence. A major managerial challenge is to build a productive team and also to effectively manage and utilize available human resources so that individuals function efficiently.

Good Financial Management is essential for an organization to succeed. Many Organizations have failed due to poor financial management. National Productivity Council (NPC) Training programme shall emphasize on various aspects of managing financial resources more productively.

Keeping in view of the requirements of modern organizations, NPC Training programme has been designed to equip the participants in effectively handling Office Administration and Financial Management so that managerial efficiency as well as organizational productivity is constantly improved.

OBJECTIVES

- To provide an understanding on the concept of Effective Office Administration and Financial Management.
- To help the participant to develop skills for team work and conflicts management.
- To understand various aspects of Financial Management.
- To provide the participants with an opportunity to share their experiences and also to understand different managerial styles.

CONTENTS

- Basic concepts on Effective Office Administration
- Leadership and Communication Skills
- Trends and Challenges in Office Management
- Organisational Communication and Team Performance
- Tools and techniques of Financial Risk Management
- Financial Decision Making & Valuation Techniques
